Business, in the company's words

opening of Item 1 of the 10-K received Mar 10, 2026

We are a purpose-built, innovation-driven defense technology and space solutions company focused on delivering mission-critical solutions across national security, space exploration and infrastructure and commercial space markets. Our company was purpose-built to address some of the most complex and consequential challenges facing the defense and space sectors, where technological leadership, operational execution and long-term resilience are essential. Our work is designed to strengthen national security, protect critical assets and enable sustained human and economic activity in space.
