opening of Item 1 of the 10-K received Jan 9, 2026

Hurco Companies, Inc. is an international, industrial technology company. We design, manufacture, and sell computerized (i.e., Computer Numeric Control ("CNC")) machine tools, consisting primarily of vertical machining centers (mills) and turning centers (lathes), to companies in the metal cutting industry through a worldwide sales, service, and distribution network. Although most of our computer control systems and software products are proprietary, they predominantly use industry standard personal computer components. Our computer control systems and software products are primarily sold as integral components of our computerized machine tool products.
