Business, in the company's words

opening of Item 1 of the 10-K received Mar 2, 2026

Venture Global is a long-term, low-cost provider of U.S. LNG sourced from resource rich North American natural gas basins. Our integrated assets span the LNG supply chain, including LNG production, natural gas transportation, shipping and regasification. Our innovative approach, which is both scalable and repeatable, allows us to bring low-cost LNG to a global market years faster than traditional LNG projects. We believe supplying this clean, affordable fuel promotes global energy security and diversification and is essential to meeting growing global energy demand. Natural gas is a vital global resource that underpins economic development through the generation of reliable electricity.
