Sector percentile at each rescan, stronger toward the top; facts filed by each date only.

Business, in the company's words

opening of Item 1 of the 10-K received Mar 27, 2026

-Environmental, Social and Governance-Sustainability" for further discussion of the laws and regulations related to GHGs and climate change. We could incur increased costs and compliance burden relating to the assessment and disclosure of climate-related risks. We may also face increased litigation risks related to disclosures made pursuant to the rule if finalized as proposed. The current U.S. administration has rolled back certain EPA rules and regulations in favor of promoting fossil fuel development which negatively impacts the clean energy industry and could adversely impact our business strategy.
