Business, in the company's words

opening of Item 1 of the 10-K received Mar 11, 2026

We are a leading, highly differentiated pharmacy services company that provides an extensive suite of technology-enabled services designed to help residents of LTCFs adhere to their appropriate drug regimen, which in turn helps reduce the cost of care and improve clinical outcomes. We emphasize high-touch, individualized clinical, drug dispensing and administration capabilities that are tailored to serve the needs of residents in historically lower acuity LTCFs, such as assisted living facilities ("ALFs"), and behavioral health facilities and group homes (collectively "BHFs").
