Business, in the company's words

opening of Item 1 of the 10-K received Apr 14, 2026

We operate a diversified business centered on digital asset-based infrastructure and intellectual property ("IP") management, supplemented by a legacy craft spirits operating segment. In August 2025, we consummated a $220 million offering of our pre-paid stock purchase warrants in which we acquired 53.2 million $IP Tokens for our digital asset treasury. The $IP Token is the native utility token of the Story Network, a decentralized layer 1 blockchain that allows network participants to register, license and enforce IP assets.
