Business, in the company's words

opening of Item 1 of the 10-K received Mar 3, 2026

breakthrough products and technologies to combat various diseases through efficient industrial manufacturing. Biotechnology is an important business sector in the world's economies and is vital to human health. Companies engaged in biotechnology generally require large amounts of capital investment for their research & development activities. Developing and commercializing a new drug or medical device may take up to tens of years. ABVC ("we" or the "Company") is an early-stage biotechnology company with a pipeline of seven new drugs and one medical device under development, all of which are licensed from related parties of the Company.
