opening of Item 1 of the 10-K received Mar 31, 2026

CKX Lands, Inc., a Louisiana corporation, began operations in 1930 under the name Calcasieu Real Estate & Oil Co., Inc. It was originally organized as a spin-off by a bank operating in southwest Louisiana. The purpose of the spin-off was to form an entity to hold non-producing mineral interests which regulatory authorities required the bank to charge off. Over the years, as some of the mineral interests began producing, the Company used part of the proceeds to acquire land. In 1990, the Company made its largest acquisition when it was one of four purchasers who bought a fifty percent undivided interest in approximately 35,575 acres in southwest Louisiana.
