Business, in the company's words

opening of Item 1 of the 10-K received Mar 18, 2026

We are a commercial stage biopharmaceutical company focused on the discovery, development, production and commercialization of innovative therapeutics for rare diseases with significant unmet needs. We are the first and only company to gain FDA approval of a protein produced through plant cell-based expression in suspension. ProCellEx®, our unique, proprietary plant cell-based protein expression system represents a new method for developing recombinant proteins in an industrial-scale manner. Our corporate strategy includes development of treatments for rare and orphan diseases.
