Business, in the company's words

opening of Item 1 of the 10-K received Feb 26, 2026

Our mission is to help Americans save time and money when filling their medications. To achieve this, we are building the leading, consumer-focused digital healthcare platform in the United States. GoodRx was founded to solve the challenges that consumers face in understanding, accessing, and affording healthcare by removing the friction and inefficiencies in the system. We started with a price comparison tool for prescriptions, offering consumers free access to lower prices on their medication.
