, "Manufacturing" for additional information. Our ability to meet our customers' needs depends on our ability to maintain a steady supply of products from our contract manufacturers. If one or more of our significant suppliers were to sever or significantly alter the terms of their relationship with us, including due to changes in applicable trade policies, or be unable to perform, we may not be able to obtain replacement products in a timely manner, which could have a material adverse effect on our business operations, sales, financial condition or results of operations.
