Business, in the company's words

opening of Item 1 of the 10-K received Mar 25, 2026

As a result, each such investor may be able to influence our board's deliberations and decisions through its director designee. The interests of these investors and their director designees may differ from or conflict with the interests of our other stockholders, which could affect our corporate governance and our decisions regarding financings, strategic transactions and other corporate actions. We cannot predict whether, or the extent to which, these investors will coordinate their actions, if at all. rights in future issuances could limit our financing flexibility and adversely affect our ability to raise capital. entered into by the Company with three investors and Hok C.
