-Government Regulation and Product Approval-Expedited Development and Review Programs" and "Part I, Item 1. Business-Government Regulation and Product Approval-Foreign Regulation" in this Annual Report on Form 10-K. Clinical product development involves a lengthy and expensive process. We may incur additional costs and encounter substantial delays or difficulties in our clinical studies. Before obtaining marketing approval for the sale of our product candidates, we must complete preclinical development and conduct extensive clinical studies to demonstrate the safety and efficacy of our product candidates in humans.
