Business, in the company's words

opening of Item 1 of the 10-K received Mar 12, 2026

Our vision is to accelerate medical innovation to patients through risk-reward-sharing partnerships with leading medical device companies. We are a biomedical innovation company accelerating high-impact technologies to patients through strategic collaborations with market-leading global medical device companies. We are led by a highly accomplished, multidisciplinary management team and a board of directors with extensive experience in all phases of therapeutic device development. Our business was formed in 2018 by assembling a pipeline of multiple late-stage clinical product candidates originally developed by our founding team.
