Business, in the company's words

opening of Item 1 of the 10-K received Jun 29, 2026

We are a defense technology provider delivering integrated capabilities across air, land, sea, space, and cyber. We develop and deploy autonomous systems, precision strike systems, counter-UAS technologies, space-based platforms, directed energy systems, and cyber and electronic warfare capabilities. We operate an international manufacturing footprint, delivering proven systems and capabilities in markets that we believe offer the potential for significant long-term growth. In addition, we believe that some of the innovative potential products, services and technologies in our R&D pipeline will emerge as new growth platforms in the future, creating additional market opportunities.
