Business, in the company's words

opening of Item 1 of the 10-K received Mar 25, 2026

First established in Bucharest, Romania in 2005, UiPath was incorporated in Delaware in 2015 as a company principally focused on building and managing automations, starting with computer vision technology and user interface automations in our initial RPA offering, which remains the foundation of our platform today. Over the course of the past several years, we have followed a strategy of leveraging advances in AI to broaden our capabilities. Building upon decades of leadership in automation, UiPath is pioneering the evolution from rule-based automation to intelligent agentic automation.
