Business, in the company's words

opening of Item 1 of the 10-K received Feb 26, 2026

We are a fully integrated, late-stage biotechnology company focused on the development, manufacturing, and potential commercialization of genetic therapies for rare and often fatal diseases with high unmet medical need. Our innovative multi-platform approach is designed to create best-in-class gene therapy product candidates aimed at correcting the underlying genetic causes of complex inherited cardiomyopathies and related disorders, with the potential to deliver transformative and durable clinical benefits.
