Business, in the company's words

opening of Item 1 of the 10-K received Sep 29, 2026

June 3, 2025, as an exempted company with limited liability. We chose to incorporate in the Cayman Islands due to (i) its tax-neutrality, which allows international transactions to be structured efficiently without an additional layer of tax and (ii) simplicity of establishment and flexibility of administration, including easy migration to another jurisdiction, the existence of statutory procedures for merger or consolidation, and no takeover code or bespoke public company filing requirements.
