Business, in the company's words

opening of Item 1 of the 10-K received Feb 20, 2026

Since 1998, Akamai has developed and provided solutions for global enterprises to build, secure and accelerate their applications and digital experiences. As of December 31, 2025, our massively distributed global infrastructure was comprised of core and distributed compute sites, more than 4,300 edge points-of-presence in over 130 countries and approximately 700 cities, and our underlying global network integrated with roughly 1,200 network partners. With this scale and distribution, Akamai has visibility and insight into traffic volumes, congestion, attack patterns, vulnerabilities and other activities across the internet's complex intersections of networks and systems.
