Business, in the company's words

opening of Item 1 of the 10-K received Feb 24, 2026

BlueLinx is a leading wholesale distributor of residential and commercial building products in the United States. We are a "two-step" distributor. Two-step distributors purchase products from manufacturers and distribute those products to dealers and other suppliers in local markets, who then sell those products to end users. We carry a broad portfolio of both branded and private-label stock keeping units ("SKUs") across two principal product categories: specialty products and structural products. Specialty products include items such as engineered wood products ("EWP"), siding, millwork, outdoor living products, specialty lumber and panels, and industrial products.
