Further, there has been a wave of blockbuster, or so-called "nuclear" verdicts resulting from liabilities arising out of vehicle and other accidents in recent years. Given this current claims environment, the amount of coverage available from excess insurance carriers is decreasing, and the premiums for this excess coverage are increasing significantly. For the foregoing reasons, our insurance and claims expenses may increase, or we could increase our self-insured retention as policies are renewed or replaced. In addition, we may assume additional risk within our captive insurance company that we may or may not reinsure.
