Business, in the company's words

opening of Item 1 of the 10-K received Mar 11, 2026

We are a therapeutics company developing and commercializing medications for the treatment of dermatologic diseases, including skin cancers. Currently, our commercial product and portfolio of product candidates are clinician administered therapies in areas of high unmet need. This product portfolio consists of one product with an approved indication for molluscum contagiosum, or molluscum, with the potential for several follow-on indications, as well as additional pipeline product candidates. Our commercial product, YCANTH (VP-102), was approved by the U.S.
