Business, in the company's words

opening of Item 1 of the 10-K received Feb 25, 2026

IonQ is the world's first and only quantum platform company. We operate in every theater: in space, in the air, on land and at sea, where we seek to deliver the full promise of quantum, across computing, networking, sensing and security. We believe that we have the clearest path to fault-tolerant quantum computing, and a repertoire of networking, sensing and security products that will form the backbone of a global quantum infrastructure. We are developing quantum computers designed to solve some of the world's most complex problems and transform business, society and the planet for the better.
