Business, in the company's words

opening of Item 1 of the 10-K received Feb 27, 2026

We are a biopharmaceutical royalty company focused on deploying capital and licensing technologies to acquire and create diversified royalty streams from high-value medicines. Our primary business is investing in and structuring royalty interests in mid- to late-stage development and commercial biopharmaceutical products, allowing us to generate long-duration, non-dilutive cash flows supported by a lean corporate cost structure. Capital deployment and technology licensing are the primary drivers of our long-term growth.
