## Business, in the company's words

*opening of Item 1 of the 10-K received Mar 31, 2026*

Odyssey Marine Exploration, Inc. discovers, validates, and develops high-value seafloor mineral resources in an environmentally responsible manner, providing access to critical resources that can transform societies and economies for generations to come. We have a diversified mineral portfolio that includes projects controlled by us and other projects in which we are a minority owner and service provider. In addition, our team is continually working to add new projects to the portfolio by identifying potential new assets through a proprietary "Global Prospectivity Program" leading to the acquisition of appropriate rights.
