WD-40 Company is a global marketing organization dedicated to creating positive lasting memories by developing and selling products that solve problems in workshops, factories and homes around the world. The Company was founded in 1953 and is headquartered in San Diego, California. For more than four decades, we sold only one product, WD-40® Multi-Use Product, a multi-purpose maintenance product which acts as a lubricant, rust preventative, penetrant and moisture displacer. Over the last several decades, we have evolved and expanded our product offerings through both research and development activities and through the acquisition of several of our smaller brands worldwide.
