Business, in the company's words

opening of Item 1 of the 10-K received Feb 26, 2026

We are a fully integrated biopharmaceutical company with two commercial products for patients impacted by kidney disease. We have built a business focused on developing and commercializing innovative therapeutics that we believe serve as a foundation for future growth, including by contributing net product revenue to support the development and advancement of our robust pipeline of mid-stage programs targeting rare kidney diseases and early-stage programs targeting kidney disease and non-kidney focused indications. We have established the Company as a leader in the kidney community and believe our cross-organizational expertise in kidney disease positions us for success.
