Asure is a provider of cloud-based Human Capital Management ("HCM") software solutions delivered as Software-as-a-Service ("SaaS") to businesses of all sizes. We offer human resources ("HR") tools necessary to build a thriving workforce, provide the resources to stay compliant with dynamic federal, state, and local tax jurisdictions and their respective labor laws, freeing cash flows so these businesses can spend their financial capital on growing their businesses rather than administrative overhead that can impede growth. Our solutions also provide new ways for employers to connect with their employees and strengthen relationships with their talent.
