Business, in the company's words

opening of Item 1 of the 10-K received Sep 17, 2026

5E Advanced Materials, Inc. (the "Company," "we," "our," "us" and "5E") is a development-stage company focused on becoming a vertically integrated global leader and supplier of refined borates and advanced boron derivative materials whose mission is to enable decarbonization, increase food security, and facilitate the domestic supply of critical materials. Our business strategy and objectives are to develop capabilities ranging from upstream extraction and product sales of borates, calcium-based co-products, and potentially other byproducts such as lithium carbonate, to downstream advanced boron material processing and development.
