We operate a portfolio of degree-granting higher education institutions in Mexico and Peru. These institutions, which we collectively refer to as the Laureate International Universities network, are leading brands in their respective markets and offer a broad range of undergraduate and graduate degrees through campus-based, online and hybrid programs. Collectively, we have approximately 497,700 students enrolled at five institutions with over 50 campuses as of December 31, 2025. Our institutions in Mexico and Peru operate within scaled country networks, which provide advantages in terms of shared infrastructure, technology, curricula and operational best practices.
