Health Solutions Inc. ("SRx" or the "Company") is the successor reporting entity following a reverse merger with Better Choice Company, Inc. ("Better Choice" or "BTTR"), the pet health and wellness business. SRx was engaged in specialty pharmaceuticals and healthcare services, including a series of acquisitions to expand its operations. These legacy operations faced financial difficulties and subsequently filed for bankruptcy, resulting in the winding down of the majority of SRx's former business. These legacy operations are reported as discontinued operations in the financial statements.
