Box is the leading Intelligent Content Management (ICM) provider. Box gives organizations a single platform for their unstructured data - which typically represents about 90% of all data within an organization. This data is content - from blueprints to wireframes, videos to documents, proprietary formats to PDFs - and it is the source of an organization's unique value. The Box ICM platform enables our customers to securely manage the entire content lifecycle, from the moment a file is created or ingested to when it is shared, edited, published, approved, signed, classified, and retained.
