Business, in the company's words

opening of Item 1 of the 10-K received Mar 11, 2026

We are a technology driven lease-to-own ("LTO") platform that integrates with omnichannel retailers and e-commerce platforms to power the purchasing of everyday durable goods by underserved U.S. nonprime customers. We were founded and incorporated in Delaware in 2012. We primarily operate within the virtual LTO market, which is estimated to have a total addressable market opportunity of $50 - $60 billion. We operate exclusively in the U.S. and our platform is available for use by consumers in 46 states and the District of Columbia. Based on our 2025 gross originations, we believe that we currently capture less than 1% market share.
