Business, in the company's words

opening of Item 1 of the 10-K received Feb 26, 2026

We are one of the industry's leading media effectiveness platforms that leverages artificial intelligence ("AI") to drive superior outcomes for global brands. By creating more effective, transparent ad transactions, we make the digital advertising ecosystem stronger, safer and more secure, thereby preserving the fair value exchange between buyers and sellers of digital media. As the global digital advertising market has evolved, we have continued to expand our capabilities since our founding in 2008 through new product

innovation and partnerships across emerging programmatic media buying platforms and digital media channels, including social and CTV.
