Business, in the company's words

opening of Item 1 of the 10-K received Feb 23, 2026

" and "Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations." If our growth exceeds our expectations, we may not be able to increase our own manufacturing capacity to, or obtain contract manufacturing capacity at, a level that meets demand for our products, which could prevent us from meeting increased customer demand and harm our business or reputation. If we overestimate our demand and overbuild our capacity, we may have significantly underutilized assets, and we may

experience reduced margins.
