- Third-Party Manufacturing and Suppliers." In addition, lead times for materials and components may vary significantly and depend on factors such as the specific supplier, contract terms and demand for each component at a given time. If we are unable to successfully implement cost reduction measures, if these efforts do not generate the level of cost savings that we expect going forward or result in higher-than-expected costs, or if we fail to order sufficient quantities of components in a timely manner, our business, financial condition, results of operations or cash flows could be materially adversely affected.
